Mike,

As with the other recent submittals, the Final BERA WP will need an EPA approval letter as well.

Subject: CFAC Approvals

Mike,

As discussed during yesterday's project meeting, please provide a final approval letter for the following two submittals:
Final Background Sampling and Analysis Plan (SAP) – September 14, 2018
Final Human Health Risk Assessment Work Plan (HHRA WP) – September 28, 2018

Also as discussed, CFAC/Roux will submit the Final Ecological Risk Assessment Work Plan (BERA WP) in the upcoming week for USEPA's approval. We will need a similar approval letter to the above bulleted deliverables.

Thank you,
Laura
